Qualification of players

- 4.1 In advance of the first fixture, each club will submit a list of four players, in merit order, nominated for each of their teams, to the Fixture Secretary. The playing order must be adhered to throughout the season, though re-nominations are permissible at the Christmas break (and, exceptionally, at other times with the permission of the League Referees). No player can appear in more than one team list.
- 4.2 In advance of the first fixture, each club will submit a list of all players representing their club in merit order.
- 4.3 Clubs may register new players at anytime during the season. New players must be inserted into the club list at the correct position.
- 4.4 In each fixture, a team must field at least one of its nominated players. Failure to do so incurs a penalty of 5 points for the team.
- 4.5 Nominated players can only substitute for a higher ranking team. Teams including one or more substitutes must still play in merit order.
- 4.6 When a non-nominated player represents a team, they are considered nominated to that team, and therefore, may not substitute for a lower ranking team.
- 4.7 Once a player has substituted for a higher team more than three times they can no longer play for their original team. (*The lowest ranked team that the player represented in their highest four appearances, is the team that the player is currently tied to. See examples below.*)
- 4.8 For Division One only, players must have played two games before the Christmas break to be eligible to play for the rest of the season (unless there are exceptional circumstances, and with the permission of the League Referees).

Big Boosters have entered 4 teams in the league.

Ollie Volley is nominated for Big Boosters 3, so he can't play for the 4th Team.

Ollie is playing matches for the 3rd team, but he has also substituted three times for the 2nd team.

Ollie plays again for the 2nd team. Because this is the fourth time he has played 'up', the lowest team Bob can now play for is the 2nd team.

Racketeers have entered 6 teams in the league.

Bob Lob is nominated for Racketeers 4, so he can't play for 5th or 6th Team.

Bob is playing matches for the 4th team, but he has also substituted twice for the 2nd team and once for the 3rd team.

The 1st team have yet another an injury, so he helps them out. Because this is the fourth time he has played 'up', the lowest team Bob can now play for is the 3rd team.

Bob plays yet again for the first team. Because this is the fourth time he has played 'up', the lowest team Bob can now play for is the 2nd team.

Non-nominated Player

Alley Cats have entered 3 teams in the league.

Clive Drive isn't nominated for any team.

Clive substitutes for the 2nd team, so he can no longer play for the 3rd team.
